## ALBERTA LIQUOR CONTROL BOARD

The Alberta Liquor Control Board (ALCB), established in 1924, is an Alberta crown corporation with a double mandate:

> Responsibility for administering the Liquor Control Act and Regulations (Liquor Licence Regulation, Liquor Permit Regulation, General Regulation and Plebiscite Regulation);
>
> Responsibility for all purchases and sales of alcoholic beverage products in the Province.

The Board, which falls within the jurisdiction of the Solicitor General of Alberta, consists of the Chairman and Chief Executive Officer, Deputy Chairman and Board Member. Senior operational, administrative and licensing management personnel are responsible to the Board for the execution of the corporation's activities.

At the close of fiscal year 1987 the ALCB operated 211 liquor stores (of which 24 carried specialty stock) and 15 retail beer outlets. In addition, private individuals operated 13 Board agency wine boutiques in major centres, and there were 4 agency stores operated by Alberta wineries.

The ALCB offered Albertans one of the most extensive and varied selections of products available anywhere in Canada – nearly 3200 product lines from 42 countries around the world.

Throughout Alberta, over 5,000 licences were issued by the ALCB for the sale of spirits, wine and beer. During 1987, a total of 16 manufacturers held licences to make alcoholic beverages in the province: 4 distillers, 4 vintners and 8 brewers.

Net revenues from the sales of liquor by the Board flow to the Province's General Revenue Fund. In fiscal year 1987, transfers to Treasury amounted to $366.5 million.

## Financial Operations

Net profit from sales of beverage alcohol amounted to $354,809,477 for the fiscal year ended January 5, 1988 as compared to $317,111,979 for the fiscal year ended January 6, 1987.

The net income for the fiscal year under review amounted to $359,765,006 compared to $321,415,790 for the fiscal year ended January 6, 1987. During the fiscal year under review, $366,500,000 was transferred to the Provincial Treasurer. The transfer included the $21,336,098 under-remitted balance as at January 6, 1987.

Payments by the Board to the Government of Canada during the fiscal year ended January 5, 1988 for customs and excise duties and sales taxes amounted to $127,745,251, a decrease of $7,509,757 as compared to the fiscal year ended January 6, 1987. The total includes in-bond shipments and shipments where prepaid taxes are specifically indicated by suppliers on invoices. Additional sales tax and excise tax paid directly to the Government of Canada by Alberta Brewers amounted to $58,080,058.

## Licensing

There were 5,563 licences in force as at December 31, 1987 for establishments licensable for the sale of spirits, wine and beer, comprising 5,335 annual licences and 228 seasonal club licences. These totals compare to December 31, 1986 levels of 5,113 annual licences and 206 seasonal club licences. In addition, 170 special events licences were issued during 1987 compared to 164 during the previous year. There were 44,747 special permits issued during 1987; a total of 46,337 were issued during 1986. Gross revenues from licence and permit fees for the fiscal year amounted to $8.146 million in 1987, compared to $8.087 million for the previous year. A breakdown of licences is provided on page 18.

Sixty-one hotels, 266 dining lounges and 130 dining lounges (restricted) were sold during 1987 by way of sales of all shares, changes in lease arrangements, repossession and outright sale.

All licensed premises were subject to regular and periodic inspection throughout 1987, including thorough reviews of new applications prior to and during the construction remodelling phases.

As at December 31, 1987 there were 4 distilleries, 7 breweries and 4 wineries licensed by the Board. An eighth brewery, Strathcona Brewing Company Ltd., temporarily ceased operation on December 15, 1987.

## Board Hearings

Thirty-one Board hearings were held throughout 1987 in respect of infractions by licensees under the Liquor Control Act and Regulations, or failure to comply with the required standards of operation. These hearings resulted in the suspension of 21 licences and the issuance of 10 warnings. Six licences were also suspended without a hearing. In addition 116 letters of warning were issued by the Board to licensed establishments where the infraction did not warrant a hearing.

The majority of hearings concerned failure to provide satisfactory supervision which resulted in allowing drunkenness, overserving customers and continuing to serve liquor to persons who were obviously intoxicated. In addition, Board inspectors reported the service of liquor during prohibited hours, sale of liquor to minors, overcrowding and other infractions, the results of which are itemized as an attachment to this report, "Suspension of Licence Privileges."

The majority of those licensees who received licence suspensions had been previously warned in writing as to the improper operation of their premises and had failed to take corrective measures, or they were repeat offenders having a file record of previous hearings before the Board regarding similar infractions of the Act.

Where disciplinary action in respect to licences was being considered, owners or operators were advised in writing and were given an opportunity to appear before the Board to discuss details of the infractions and to make representations either personally or through counsel, prior to decisions being reached by the Board. Following suspension of a licence, the operator was advised in writing that under the terms of the Liquor Control Act he could request a review by the Liquor Licensing Review Council.

Our close working relationship with enforcement agencies continues, whereby prompt attention is given to any problem observed to be developing in respect to any licensed operation. Similar programs in force, employing joint inspections with fire and health authorities, also continue to achieve quick success in rectifying unsatisfactory or possible hazardous conditions within licensed premises.

## Stores

As of January 5, 1988 the Board operated 228 retail outlets. During the fiscal year the Board opened one new retail beer store in Edmonton, and the new Willow Park liquor store in Calgary.

| | Liquor Stores | Warehouse Retail | Beer | Retail Total |
|---|---|---|---|---|
| **January 5, 1988** | **211** | **2** | **15** | **228** |
| January 6, 1987 | 212 | 2 | 16 | 230 |

## Manufacturers' Stores and Wine Boutiques

Legislative changes made possible the establishment in 1985 of manufacturer-operated wine stores in which each winery was permitted to sell its own products at retail. At the end of fiscal year 1987 there were 4 such stores on the premises of Alberta wineries.

In 1985 a pilot project for privately operated, non-manufacturer retail wine stores ("wine boutiques") was established. At the conclusion of fiscal year 1987, 13 wine boutiques, the full complement of the pilot project, were in operation in 11 Alberta centres.

## Listings

The number of product listings carried by the Board at the end of 1987 totalled 3,164. This figure comprises 1,527 general listings and 1,637 specialty items.

In addition to ordering from principals in 6 Canadian provinces, the Board purchases products from 42 foreign countries. It has been a long-standing policy to deal directly with suppliers rather than through Canadian agents in order to ensure the lowest possible cost to the Board.

## Staff

The number of Board employees totalled 1,225 as of December 31, 1987, down from 1,299 the previous year. This total consisted of 1,213 permanent employees and 12 temporary positions. A summary of the staff complement by department is included at the end of this report.

## Acknowledgements

In furthering its policy of maintaining and improving the generally high standard of accommodation and service in licensed hotels throughout the province, the Board appreciated the full cooperation of the Alberta Hotel Association and its officers.

Appreciation is also extended to the Alberta Restaurant and Foodservices Association for its positive efforts in working with the Board through its membership, to maintain the high level of quality found in licensed restaurants throughout the province.

The Board wishes also to express sincere appreciation to the officers and staff of the RCMP and to the city and municipal police throughout the province for their efficient cooperation in enforcing the provisions of the Liquor Control Act.

Finally, the Board would like to thank its own staff for their dedication and contribution to the efficient operation of the Board during the year.

Further details of the Board's operations are contained in the various attachments, all of which are respectfully submitted.

# Auditor's Report

To the Members of the
Alberta Liquor Control Board

I have examined the balance sheet of the Alberta Liquor Control Board as at January 5, 1988 and the statements of income, income remitted to Provincial Treasurer and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Board as at January 5, 1988 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
